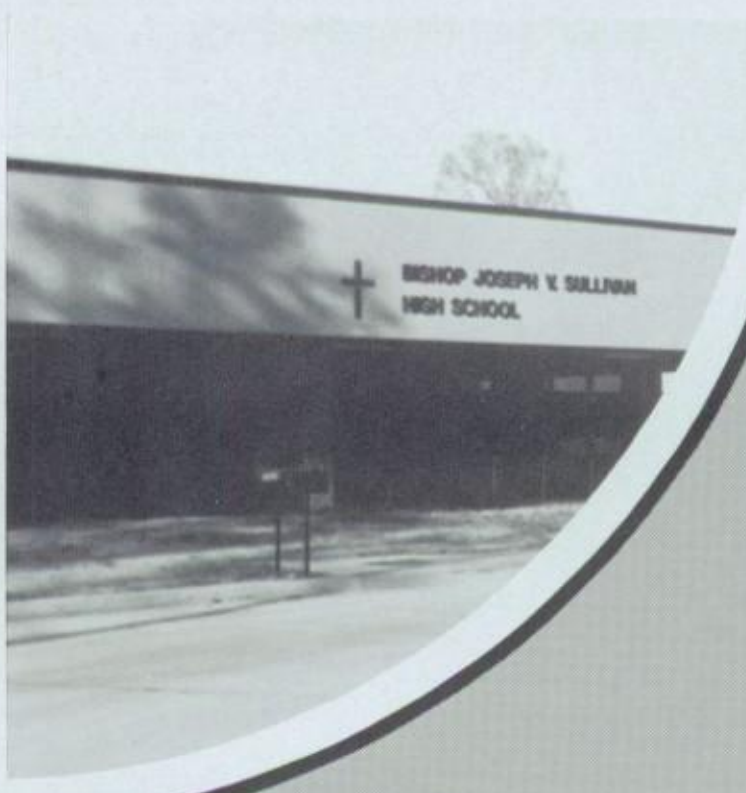
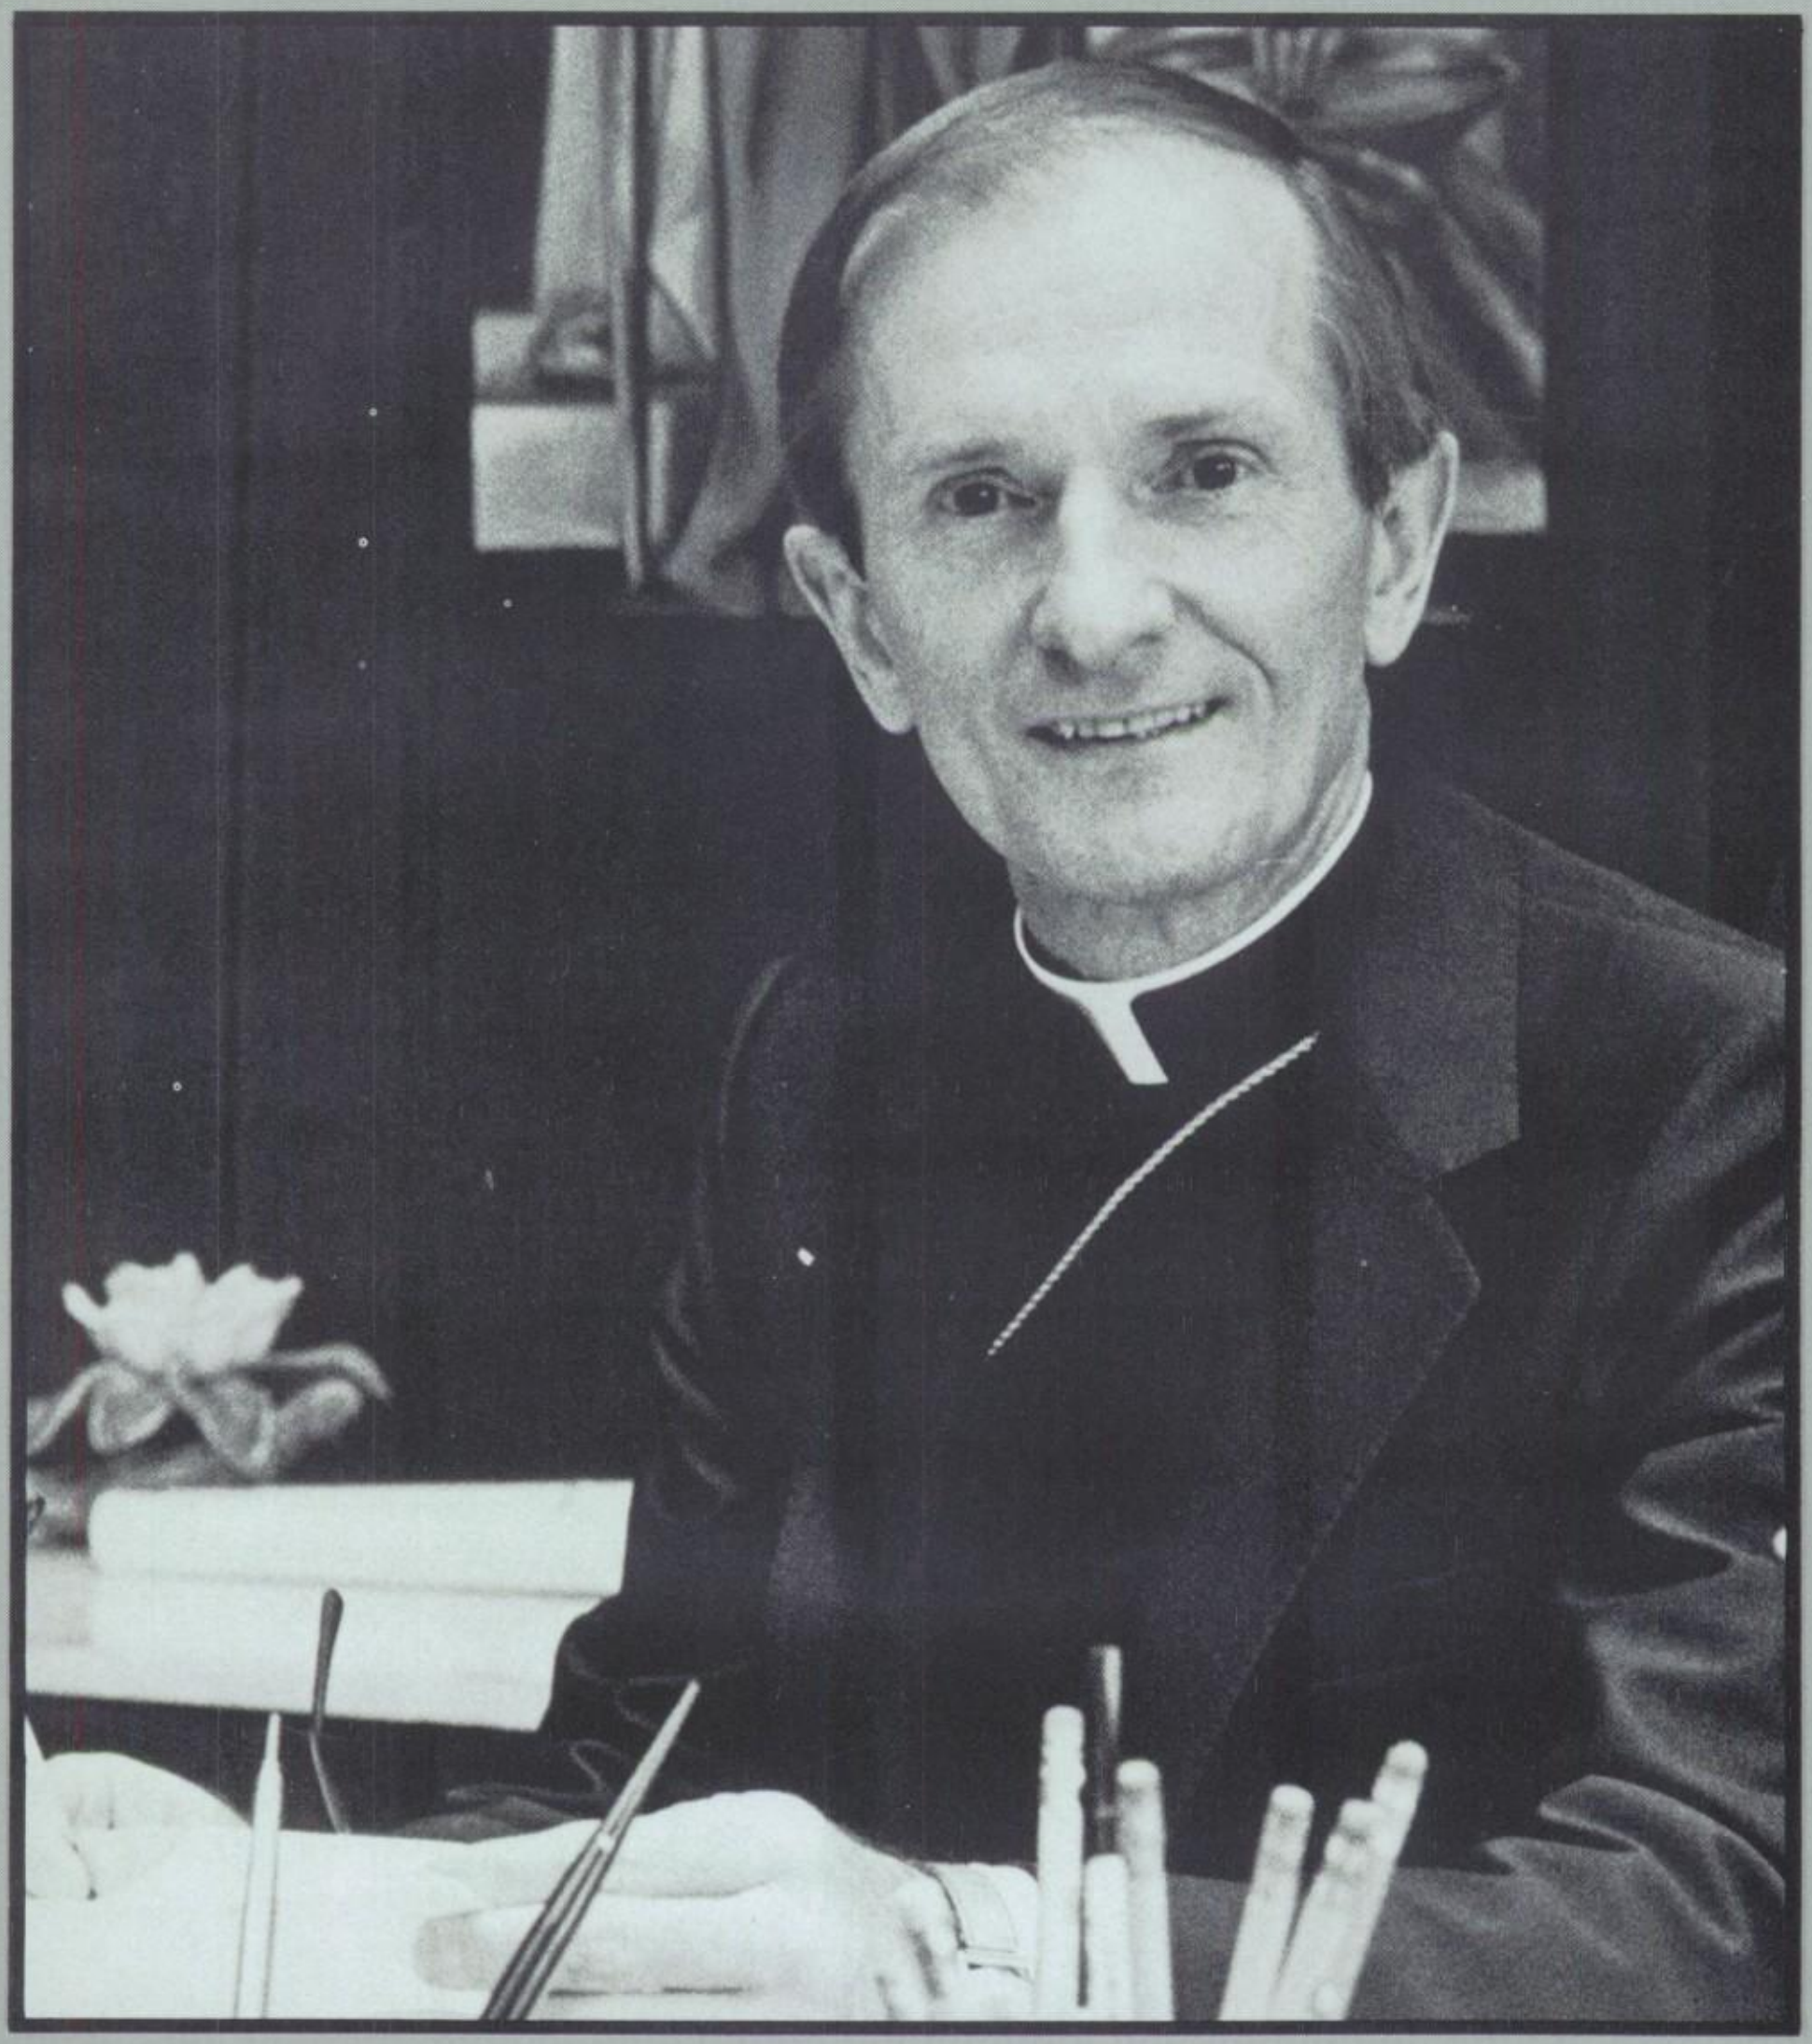
1984-1985
Volume I



With love and appreciation, we dedicate this book to:

Bishop Joseph V. Sullivan



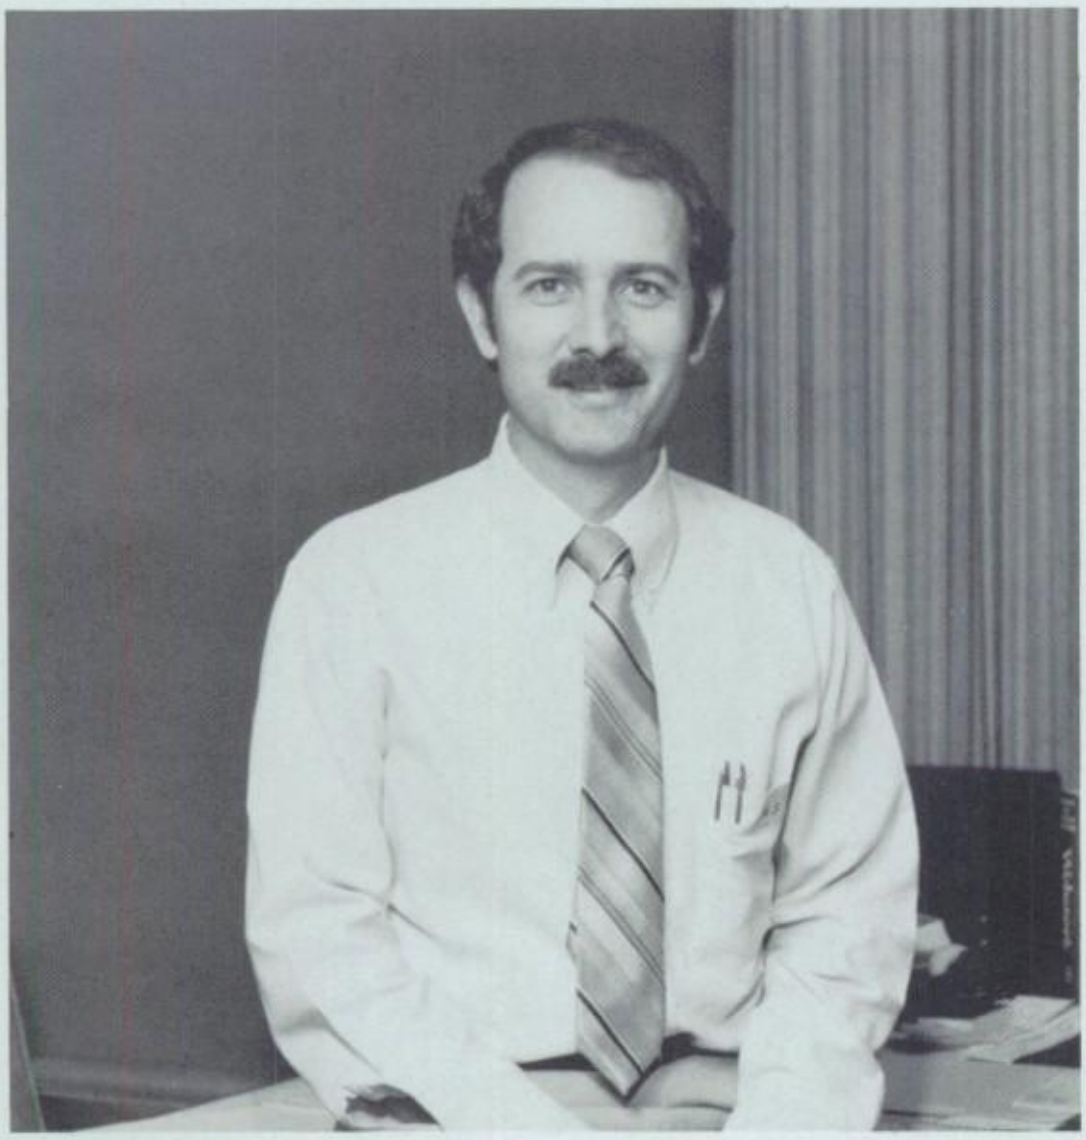
Bishop Stanley J. Ott

Biship of Baton Rouge

Our Fearless, and Even Fantastic, Leaders.

Left to right) Joe Scimeca, Harold Bayerl, Velma Roy, Sister Danielle Eaton.

Behind that serious, diligent, exacting face sits Mr. Bayerl, a caring, humourous person we grew to know and respect. Our principal, a native of New Jersey, moved to Baton Rouge from South Carolina where he served as principal of Cardinal Newman High School. How did Mr. Bayerl feel about South Louisiana? "The people here are very hospitable and cooperative." He added that he enjoys working with adolescents and being responsible for providing them with a Catholic learning atmosphere. Bishop Sullivan has profitted from Mr. Bayerl and his talents. Working with students and staff, Mr. Bayerl established the Bishop Sullivan High School reputation, one to be proud of.



Mr. Scimeca, our guidance counselor and civics teacher during the first year of B.S.H.S., became our vice-principal during the summer. Previously, Mr. Scimeca acted as guidance counselor, swim-team coach, and classroom teacher at Catholic High. Mr. Scimeca was truly someone to turn to for help, advice, or a friendly ear.

Center left) Mrs. Velma Roy, our dedicated secretary here at Bishop Sullivan, was known for her kindness, efficiency, and wit. Adored by the students and faculty alike, Mrs. Roy was always there when we needed her, which was most of the time. Before coming to Bishop Sullivan High School, she was secretary to the Chancellor of the Diocese of Baton Rouge.

Bottom left) Father Walsh, appointed by Bishop Ott as Bishop Sullivan's Chaplain, presided over our weekly masses for the 1984-85 school year. Below) Sister Danielle Eaton was B.S.H.S.'s financial wizard, keeping tuition records, pay role, and of course gum fines in order. In addition to her monetary concerns, Sr. Danielle also found time to teach two classes of sophomore religion. With all of this, she always had time for a friendly smile.

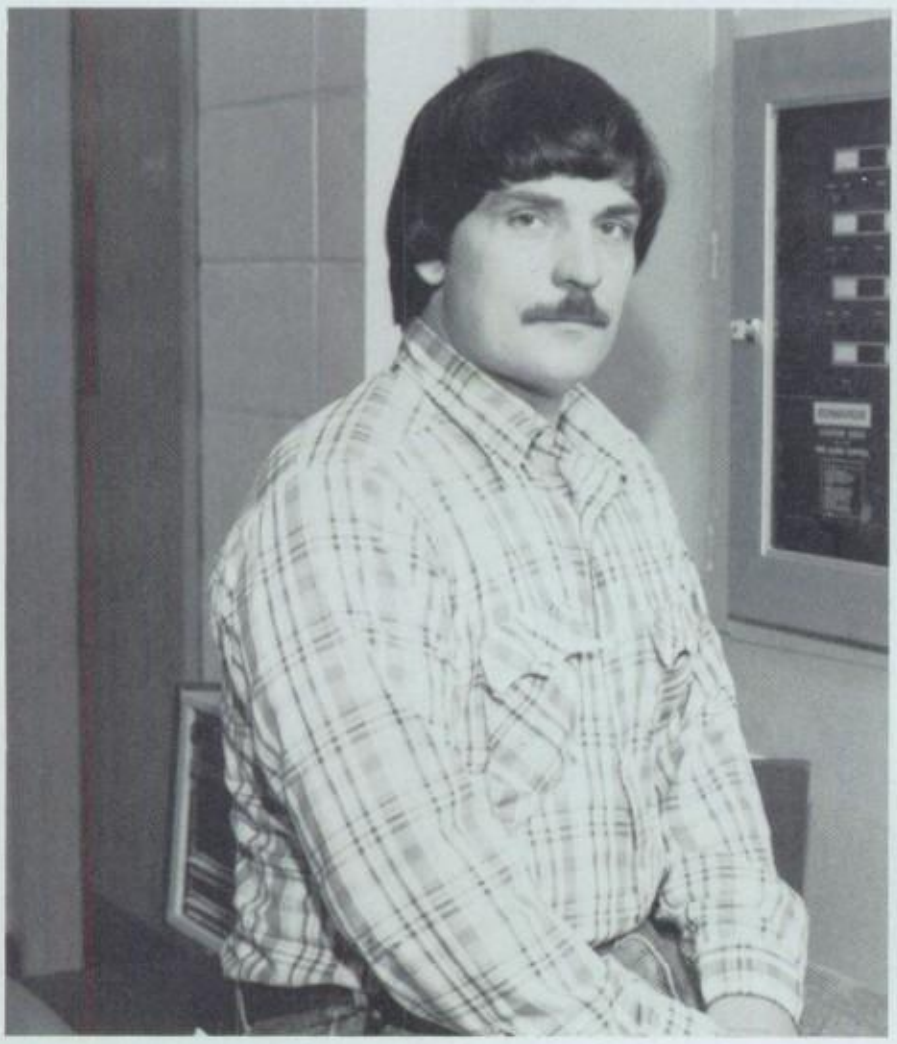
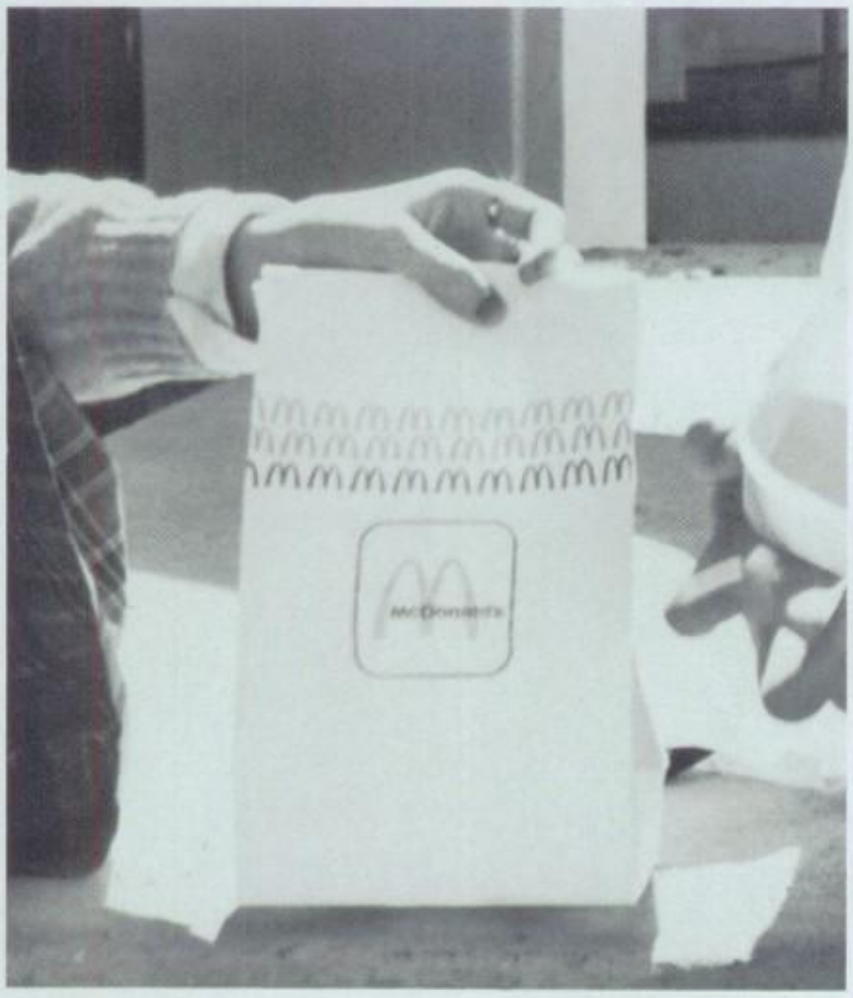
Essentials of Life



Frances Abbott was general maintenance man at B.S.H.S. He made sure the bells rang and tried to keep the air conditioning working.

Several faithful mothers kept us supplied with Stewart Sandwiches and change for the vending machines.



McDonalds kept us fed on Fridays complete with fish sandwiches during Lent.

Various pizza parlors helped staunch our constant hunger pains with free delivery.

Student Government.

Student Council really got the school moving in this, its first year. They sponsored two casual get-acquainted dances and a semi-formal Christmas dance. A candy drive was sponsored by student council to raise money for future activities. The week of Valentine's was also known as "Twerp Week" in which the girls held numerous activities for the guys. Student Council sponsors were Mrs. Diane Talbot and Mrs. Tonya Keller, who vowed they had "a lot of fun."

Spanish Club enjoyed dinner at Los Amigos restaurant and made a trip to Catfish Town to see a performance of various foreign language students. Prior to their trip to Catfish Town, Spanish Club saw fellow classmates polish up their acts before going to festival. Latin Club was another academic club enjoyed at Bishop Sullivan. Their sponsor, Mrs. Haynes, also taught Latin I.

NEWS, RELIGION, SERVICE.

Tuesday afternoon at 3:35, room 13 abounded with aspiring writers. Newspaper staff managed to write, rewrite, and rewrite yet again preparing the latest news for printing. Deadlines were set; some made it and others missed it. Still, somehow through the confusion, just about every month the newspaper came together. Some of the leading regulars were "Couples", "Teacher of the Month", and, of course, the latest gossip from the halls of B.S.H.S.

A club composed entirely of freshmen and headed by the freshmen religion teacher, Mrs. Keenan, the liturgy club took the school through Thanksgiving, Advent, Christmas, Lent, and Easter, by contributing greatly to our weekly masses.

Headed by civics and world history teacher, Mr. Bo Cook, B.S.H.S.'s first service organization, Key Club, began with an approximate membership of 30 students. Under the direction of the Mid-City Kiwannis Club, this organization did a number of school and community service projects.

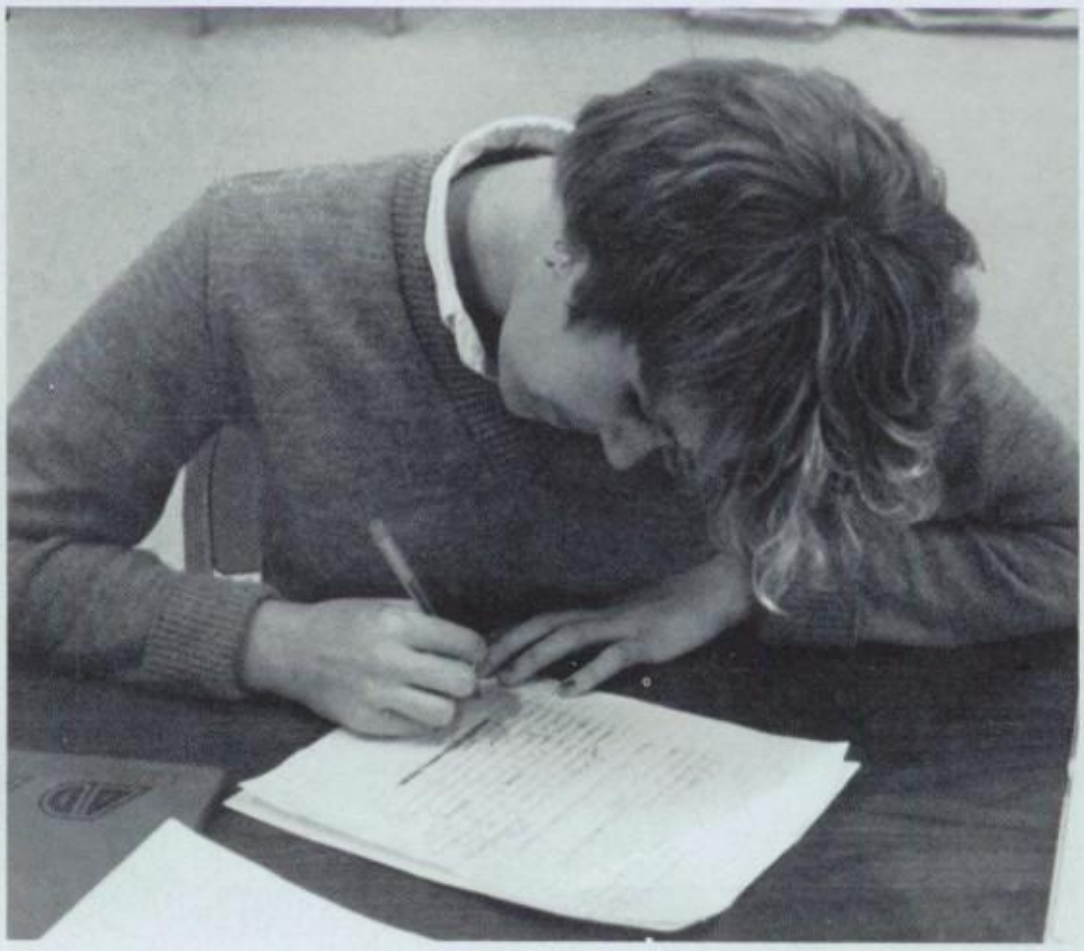
Morning 9 a.m. Sharp!

Yes, a staff member's work is never done. Rain or shine and even at 9:00 on a Saturday morning while most of you were still in bed, we had our meetings. We worked and worked to meet deadlines, sell ads, and put together Bishop Sullivan's first and best yearbook! It wasn't all work however, we enjoyed our occasional "skip school" trips to sell ads and the birthday parties we gave each other were fun too. Our work was definitely productive and you're reading it!



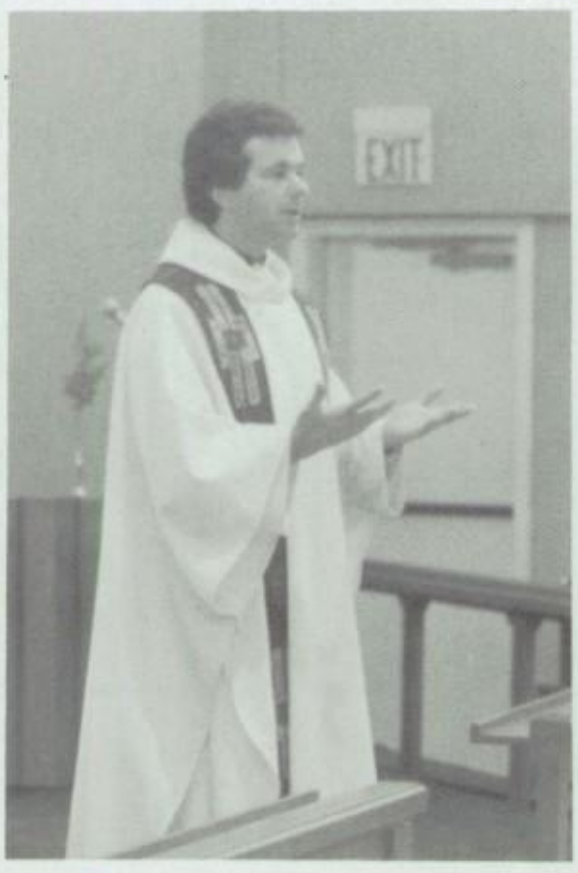
Catholic Education

Catholic education is a way of life at Bishop Sullivan High School.

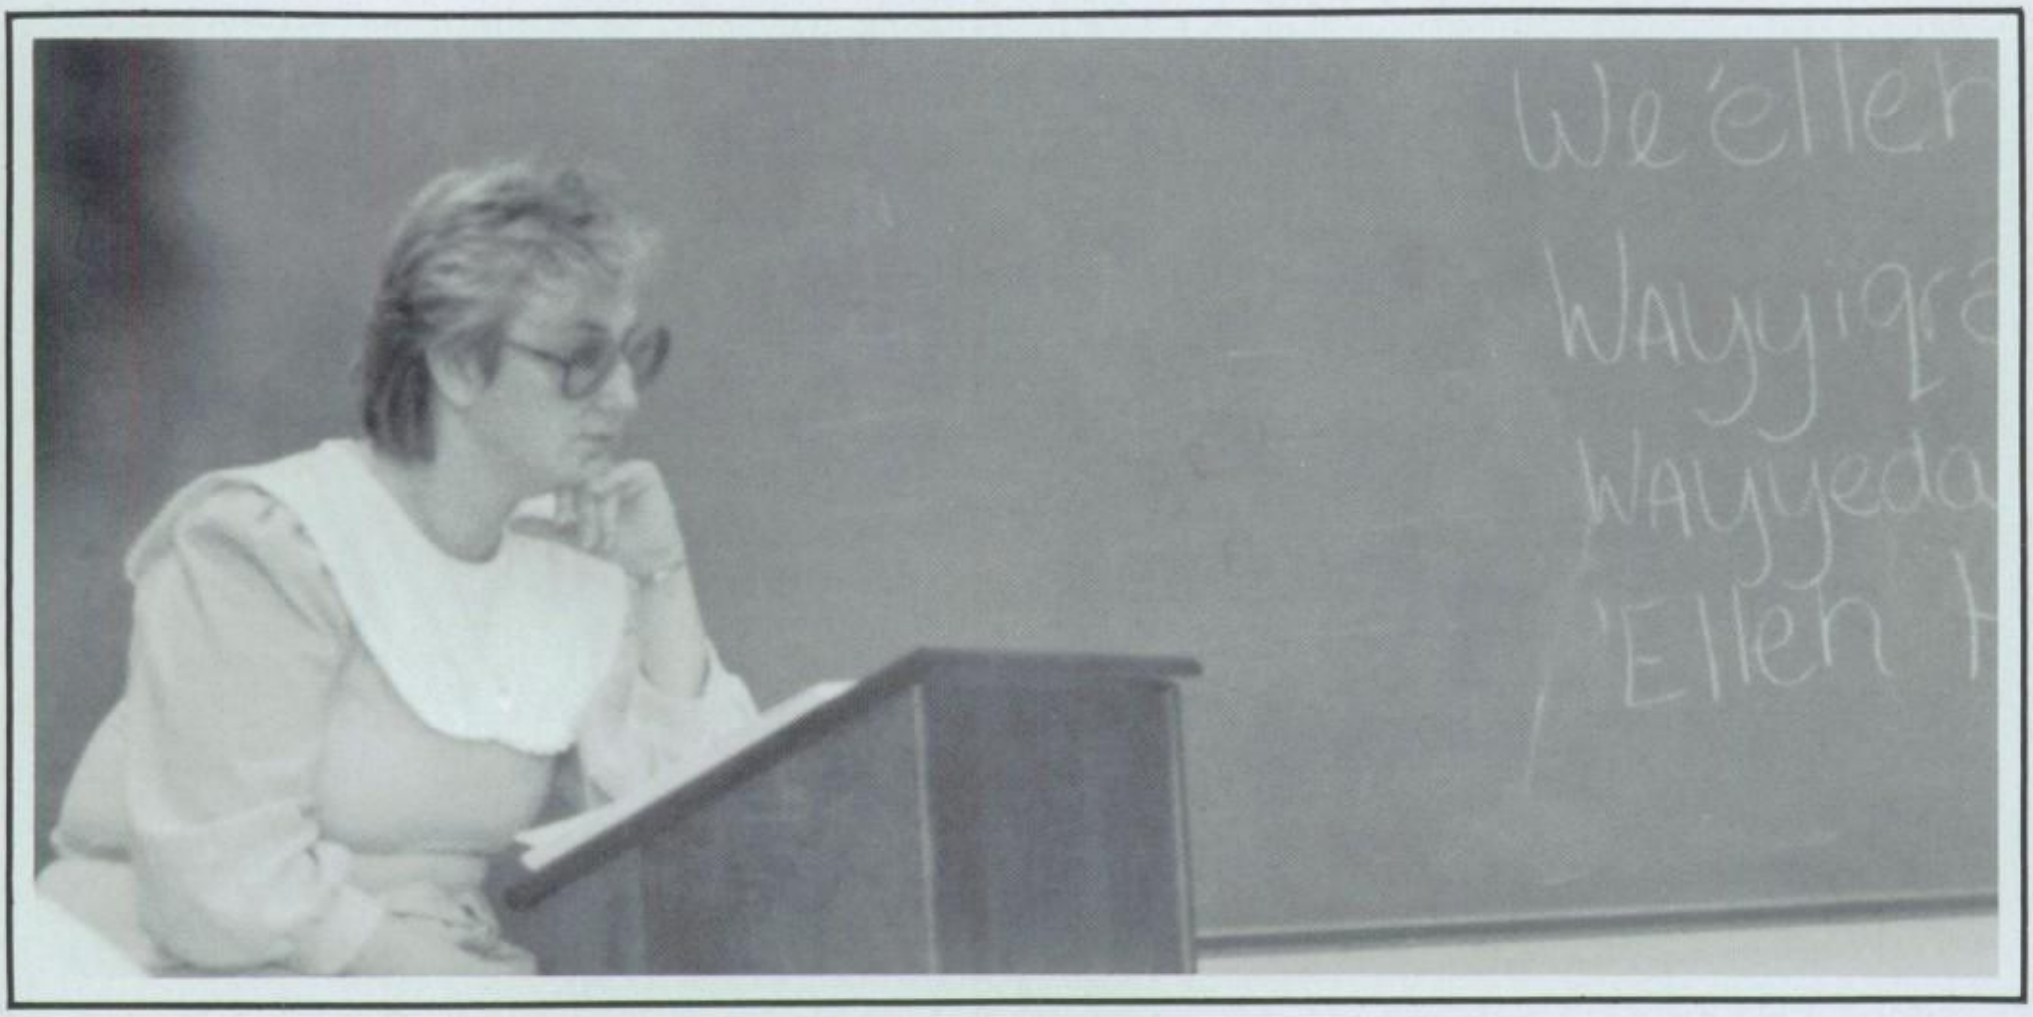
"We want a religion program that teaches our students the importance of our Catholic tradition, and will assist them in living a real Christian life," says principal Harold Bayerl.

This year, the students studied the Old and New Testament, as well as Church history and dogma under Sr. Danielle and Mrs. Keenan. There were weekly masses on Thursday with Father Walsh and Sr. Danielle. The Liturgy Club and altar boys, Jeff Young and Jim Wilson, also assisted at these events. Two days of recollection were held at St. Patrick's Church.

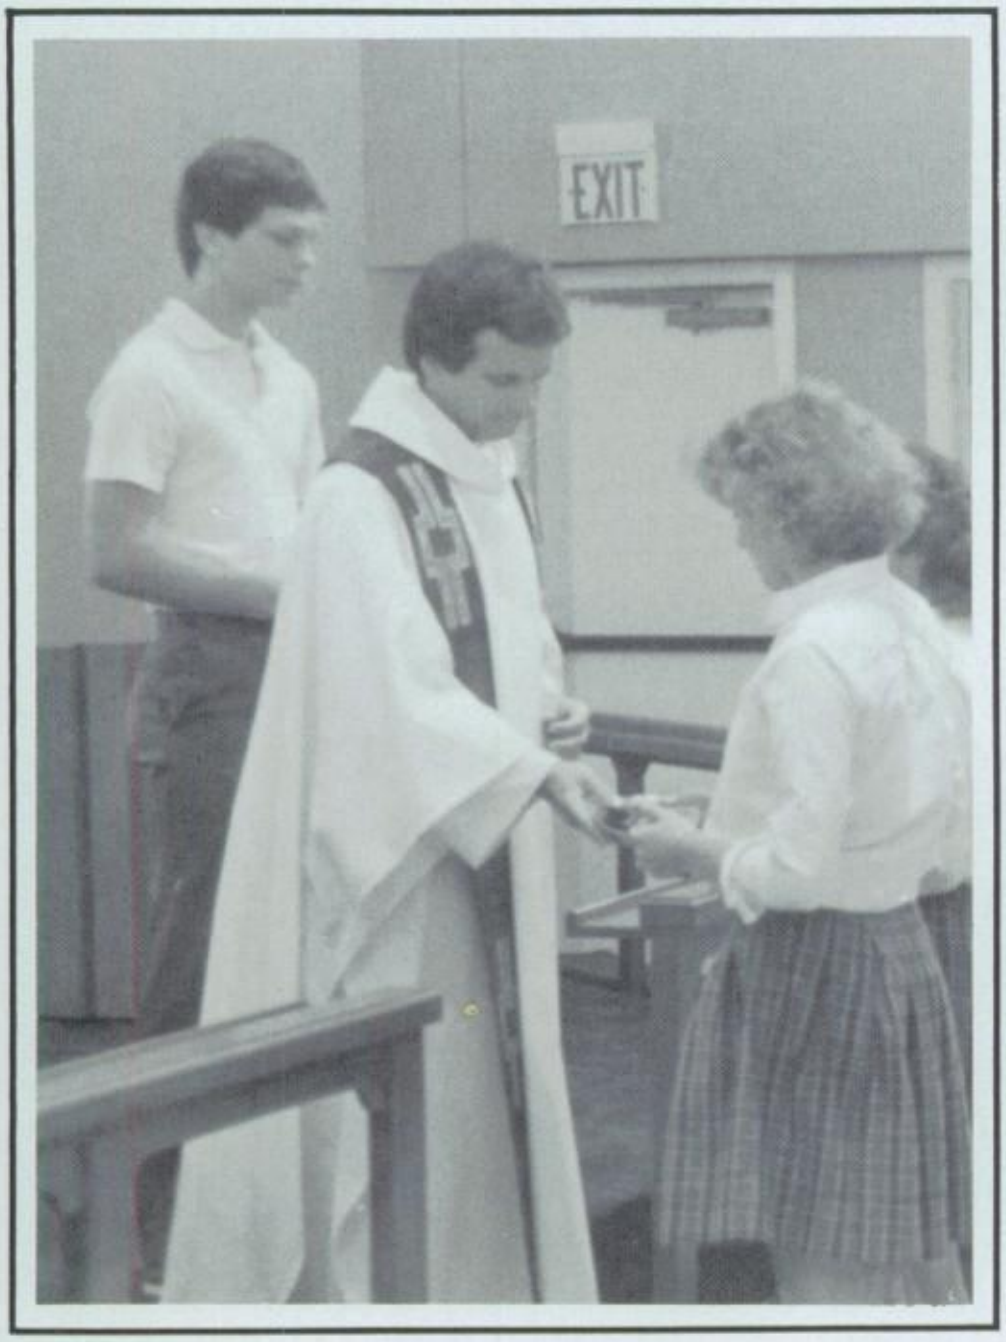
A successful religion program must teach Church and values. "Then we must assist students in learning to live those values," adds Mr. Bayerl.



A Way of Life.



Mrs. Keenan taught freshman religion.



Left, Jim Wilson was one of our altar boys. Above, Father Walsh offered students communion every Thursday.

Athletics at B.S.H.S. . . .

A Growing Phenomena

Athletics at B.S.H.S.'s first year started out with the boy's and girl's basketball teams. Both these teams gained experience throughout the season with coaches Vicki Misuracha and Tom Farrell.

Mr. Joe Scimeca was the swim team coach for the 1985 season. The Warriors were represented at three dual meets and carried away points each time.

The boy's baseball and the girl's softball teams had very successful seasons with coaches James Cook and Chip Duhe.

Although the cheerleaders' season started off on the wrong foot, as their sponsor, Mrs. Helouin, left in the middle of the year, Miss Sonya Ragusa, their current sponsor, took charge and lifted the girls' "spirits". All the games were fun. The girls enjoyed their trips to McDonald's after every game, making spirit bags for the basketball teams and even throwing a Bar-B-Q for the teams after their season ended. Victory may not have always been our middle name but spirit sure was!

A Trip to Hollywood

You could have sworn we were dancing in the heart of the luxurious Beverly Hills itself. The Student Council did a tremendous job of creating the atmosphere and everyone looked fabulous out of their uniform and into their party clothes. With "The Business" providing entertainment, April 27th was definitely a night to remember.
